

2024 Easter Y4 11+ Courses

Dear Parents,

The Y4 11+ Foundation course is aimed to improve children's performance in the core subjects of English, Maths and logic thinking VR&NVR so that they exceed National Standard and build solid foundation for 11+ exams. The course details as below:

9 Days: 02/04 – 05/04, 08/04-12/04		
VR & NVR	outlines top tips to tackle reasoning tests	09:00 – 10:30
Maths	10+ Past papers covering various maths topics	10:45 – 12:15
English	Covers vocabulary, comprehension and writing skills	13:15 – 14:45
At the end of the course, children will have a mock exam and a detailed report showing their performance will be presented.		

If you would like to register your child to the course, please fill the following information and return the slip below to us with the payment in full by 22/03/2024.
