

2024 Feb Half Term Y5 11+ Intensive Courses

Dear Parents,

The Y5 11+ course is aimed to improve children’s performance in the core subjects of English, Maths and VR&NVR so that they exceed National Standard and fully preparing for grammar and independent school entrance exams. Children will learn and practice various exam skills, such as dealing with exam pressure, time management and order of answering questions etc.

The course details as below:

5 Days: 12/02 – 16/02		
Maths	Past papers cover from arithmetic and algebra to geometry and problem-solving, common mistake questions.	09:00 – 10:30
VR & NVR	Apply top tips to tackle reasoning tests	10:45 – 12:15
English Comprehension	Past papers cover vocabulary & comprehension features and solutions	13:15 – 14:30
English Writing	Past papers cover writing skills and various genres	14:45 – 16:00
At the end of the course, children will have a mock exam and a detailed report showing their performance will be presented.		

If you would like to register your child to the course, please fill the following information and return the slip below to us with the payment in full by 02/02/2024.
